

Lives in Harmony

Cantata Enhanced Care

Throughout your life, the state of your health guides you to where you'll be most comfortable, secure and happy.

Drawing on decades of experience, Cantata offers Sheltered and 24 Nursing Care, treating our residents with care and respect, providing comfort, convenience and the degree of stimulation and attention each resident desires.

Cantata
Adult Life Services

Sheltered Care

At The Laurels, your loved one will find a warm, welcoming and nurturing environment, designed to take care of all their housekeeping, dining, personal care and medical needs. It presents the perfect environment for those individuals needing assisted living support in a smaller environment that is more intimate and more easily navigated. The Laurels offers compassionate care on your loved one's terms, as well as yours.

Sheltered care amenities include:

- A private furnished room that can be decorated with personal belongings
- A powder room equipped with grab bars
- Restaurant quality dining for breakfast, lunch and dinner, featuring seasonal favorites made with fresh ingredients, created from scratch and alive with flavor and nutrition
- Comfortable lounges on each floor
- Assistance with a shower once a week
- 24-hour emergency call pendant or bracelet provided to each resident to access on-site staff immediately in an emergency
- Housekeeping service weekly
- Laundry service weekly
- Satellite TV service
- All utilities, telephone service at an additional cost
- On-site Life Enrichment program opportunities, educational and recreational programs, social activities

"When family, friends and pets visit, the reaction we get is consistent—'such a warm, comfortable environment, such a caring, attentive staff.' It's very gratifying."

- Julie Adduci, LNHA
Administrator

- Scheduled bus trips, scenic drives and cultural events

Additional services include:

- Medications and supplies
- Special visits by our physician, podiatrist, oculist and dentist
- X-rays, lab tests, ambulance, oxygen and incontinence care
- On-site hair salon

Nursing Care

Cantata's Healthcare Services Team, with doctors specializing in geriatrics, skilled nurses and medical facilities right here on campus, provide support for those individual needing 24-hour nursing care. The reassurance of this seamless continuity of care is something our clients and their families appreciate most about life within the Cantata community.

Most of the rooms in our nursing care area are semi private.
