Adult Life Services

Professional, reliable, trustworthy, helpful.

Three reasons you know our handymen will do a good job, efficiently, courteously and safely:

1. Highly qualified and experienced
2. Passed criminal background check
3. Fully insured

A wide range of ways we can help.

This is just a partial list of the Handyman Services we provide. Whatever you need done, most likely we can handle it or know someone who can.

- Basic home repair (changing light bulbs, checking smoke detectors, hanging pictures, patching walls, moving furniture indoors and outdoors, taking down/putting up curtains, etc.)
- Minor carpentry repair and interior/exterior painting

“It’s remarkable the peace of mind that comes from knowing someone you can trust and depend on is readily available to take care of these tasks.”

- Mary Beth Hardy,
Director of Community Based Services

- Gutter cleaning and replacing chimney caps
- Plumbing and new fixture installation
- Electrical work and changing light fixtures
- Flooring installation and repair
- Spring spruce up and fall home winterization
- Perform safety evaluations of your home
- Technology assistance (programming VCR, DVD players, etc.)
- Installing equipment like handrails, grab bars, telephone amplifiers, etc.

Whatever you need to ensure you can continue to live in the comfort of your own home, we are here to help you meet that need.
